Caves & Tunnel

On a snorkel tour of tunnels and caves - don't worry it's not as scary as it seems! At the end of the Peninsula we have beautiful natural sulphur caves that you will be able to explore with your guide who will also take photos and videos of your experience. On this trip you will be equipped at the dive base with mask, fins, snorkel and wetsuit.

Snorkeling

You will be driven by car to the spot and you will get a safety briefing before going into the water. You will have the chance to practice and get familiar with the equipment. The whole trip lasts approximately 3 hours. All ages are welcome.
